Dear Mr. McLaughlin,

I would like to express my appreciation for the work Nina Tran completed on the Mallinckrodt COV15000181US. Mrs. Tran was an exceptional assess in ensuring the highest quality of work during this trial. Mrs. Tran was available and reliable throughout this trial and ensured that all study tasks were properly completed within the regulatory and protocol requirements. Mrs. Tran was very organized and showed dedication to this trial, which ensured the successful completion. With this experience, I would highly recommend Mrs. Tran as well as Anaheim Clinical Trials, LLC for future trials.

I look forward to working with you and your exceptional team in the future.

Kind regards,

Erik Zarate
