Re: B2421003 Site 1018

Dear Mr. McLaughlin,

On behalf of PharmaNet*i3* Strategic Resourcing now a part of Inventive Health Clinical., I would like to express our appreciation for the work your site staff has done on our studies over the past years.

I would like to recognize the efforts of Linda Gozar, she is highly experienced, well organized with an exception eye for detail. Her commitment and that of the entire team has ensured the successful completion of our clinical trials.

In closing, I would like to reiterate my appreciation of you and your study team.

Kind regards,

Lakissha Taylor
