Patrick McLaughlin, Executive Director
Anaheim Clinical Trials
1085 North Harbor Blvd.
Anaheim, CA 92801

RE: AMG 151 20100761, PI: Peter Winkle, MD

Dear Mr. McLaughlin:

I would like express my appreciation for two employee's diligent work on the above Amgen clinical trial.

I was very impressed by Gaby Huizar's and Martha Rojas' professionalism and efforts to promptly address outstanding regulatory issues and deal with difficult investigational product, study equipment and logistical issues. It was my pleasure working with these hard-working ladies!

Kind regards,

A handwritten signature in blue ink, appearing to read 'Sherry Kaye', with a long horizontal flourish extending to the right.
