Dear Mr. McLaughlin;

I'm writing to let you know it has been a pleasure to work with Claudia Ramirez on the Eli Lilly I1F-MC-RHBL trial.

I recently took over the trial from another Site Activation Management Associate, which means Claudia and I haven't worked together that long. However, since I've taken over, she has been responsive to any deadlines the trial has encountered and she has been courteous and professional in our interactions.

Hopefully, we will work together on future trials.

Thank you for your time.
